Re: Plan

Date: 10/18/2024

This document outlines the Rockledge Public Safety Departments plan for utilizing opioid litigation settlement funds In FY 2024, Rockledge Public Safety Departments has received settlement funds. The agency plans to allocate these funds to purchase equipment and towards decreasing the oversupply of licit and illicit opioids. Additionally, allocated Opioid monies will be used to purchase Narcan and training associated with Narcan administration.

Rockledge Public Safety Department is within Brevard County which lies along major corridors from south Florida and directly east of Central Florida.

The Rockledge Public Safety Department is seeking other uses or startups in regards to Opioid abuse education and similar programs for residents that are in recovery.
