

## **Town of Davie Implementation Plan FY2025-2026 Summary**

**Objective:** To enhance Town of Davie's community well-being by reducing opioid-related crimes, improving emergency response, improving treatment of opioid-related patients, and supporting the Town of Davie Fire Rescue Department's (TDFRD) opioid-related initiatives.

**Overview:** This implementation plan outlines how the Town of Davie, specifically TDFRD, intends to allocate and utilize the opioid settlement funds in alignment with the requirements of Schedules A and B of the opioid settlement. This plan details the specific areas of focus and the amount of funds dedicated to each area.

**Goals:** Decrease opioid distribution and misuse, improve safety for first responders, and support affected communities through effective public safety strategies. This initiative correlates to the Town of Davie's strategic priority #5: Nurturing the Health, Safety, and Welfare of the Community.

### **1. Needs Assessment**

- **Data Analysis:** Review current trends with opioid-related Emergency Medical Services calls with fire rescue. Review local crime statistics related to opioid use, such as drug trafficking, thefts, and overdoses.
- **Resource Inventory:** Assess current law enforcement and fire rescue capabilities, emergency response resources, and community safety programs to identify gaps and needs.

### **2. Implementation Priorities**

- **Training and Resources:**
  - Provide comprehensive training on handling opioid-related incidents, including identification, and training on advanced patient assessment techniques.
  - Supply fire rescue with necessary equipment, such as protective gear, overdose kits (naloxone), advanced drug detection technology, advanced training techniques, and advanced real-life mannequins to provide scenario-based training.
- **Emergency Response and Overdose Prevention:**
  - Continue to equip TDFRD personnel with the latest and most up-to-date equipment to exceed industry standards as it pertains to emergency overdoses.

- Continue to equip TDFRD personnel with the latest and most up-to-date equipment to exceed industry standards as it pertains to emergency overdoses.
- Conduct public education safety campaigns to educate the community on overdose prevention and reporting suspicious activities. Provide a summary of Narcan administration during TDFRD monthly CPR classes.
- Provide modern training mannequins to administer Narcan during an overdose emergency.

### 3. Budget Allocation

- **Schedule A Allocation: \$15,500.00**
- **Schedule B Allocation: \$140,180.00**

### 4. Implementation Plan

- **Timeline:**
  - **Q1:** Procure necessary equipment and supplies. Continue public safety and outreach initiatives.
  - **Q2:** Launch additional public safety campaigns, prevention programs, and public awareness campaigns.
  - **Q3:** Continue public safety and outreach initiatives.
  - **Q4:** Full implementation and evaluation of all funded programs. Evaluate program effectiveness, adjust strategies as needed, and prepare for sustained efforts and the creation of the implementation plan for FY2026 to 2027.

- **Responsible Parties:** Town of Davie Fire Rescue will oversee training and enforcement operations as well as implement community outreach and support programs.
- **Collaboration:** The Town of Davie will foster partnerships with surrounding law enforcement, fire rescue, public health agencies, and community organizations to ensure comprehensive and coordinated efforts.

## 5. Monitoring and Evaluation

- **Overview:** Quarterly financial and performance reporting will be conducted to ensure the effectiveness of this funded program. TDFRD will oversee this monitoring. Comprehensive performance reports detailing progress, challenges, outcomes, and any necessary adjustments to the implementation plan will be submitted to the Town's Finance and Legal Department. This rigorous evaluation process will ensure accountability and continuous improvement of the program.
- **Regular Reporting:** Require quarterly reports from funded programs to monitor progress and make data-driven adjustments.
- **Evaluation:** Conduct an annual review to assess the effectiveness of funded initiatives and identify areas for improvement.

**Conclusion:** The Town of Davie's implementation plan provides a comprehensive approach to utilizing the opioid settlement funds in a manner that aligns with the stipulations of Schedules A and B. By focusing on law enforcement, fire rescue, and community support, the Opioid Settlement Funds Implementation Plan for FY25-26 aims to enhance public safety and mitigate the impact of the opioid crisis. Through strategic investments in prevention, treatment, recovery, public awareness, comprehensive training, and collaborative efforts, the Town of Davie aims to create safer communities, improve the overall public health landscape, and reduce the impact of the opioid crisis.
